

8/28/2020

Greetings Directors, Cloggers & Friends,

We hope this letter finds you as well as expected during this still very fragile time in our country. Over the past few months, we have seen a dramatic impact in our daily lives. Nothing seems certain and the idea of normal living still seems to be far away. With all the uncertainty the UCA board has voted unanimously to cancel the year end championship on October 16, 17 & 18th 2020 in Maggie Valley, North Carolina.

We understand that this is devastating to many just as it is to us. However, the safety and well being of our clogging families will always be our priority.

The 2021 UCA National Championships will be held October 15, 16 & 17, 2021 in Maggie Valley NC.

We have received questions regarding next year and I would like to take the opportunity to go ahead and answer some of these to the best of my ability so that you can have a clear picture of what to expect at the 2021 UCA National Championship

Legacy Teams: Each Director will have the opportunity to nominate twice the usual number of nominees. We hate to see such a special moment diminished by the idea of honoring a team virtually this year, so we will have a larger Legacy team in 2021 to make up for the lost opportunity this year for deserving dancers.

UCA Hall of Fame Inductees: UCA will honor additional recipients in 2021. Anyone who was slated to receive this honor in 2020 will be invited to the 2021 Year end event to accept this prestigious award.

Regional events in 2021: We will take each regional event one at a time. It is currently unknown when Covid 19 will no longer pose a risk to our communities. Each state is operating under different procedures so depending on where the government is at when the time to host the events arrives will determine how each event is handled.

We miss all of you! We miss your smiles, your joy and the atmosphere of the clogging community. We hope that you will choose to attend the UCA Competition Circuit in 2021 and we look forward to welcoming you back as soon as circumstances allow.

Stefanie Canady
& the UCA Executive Board
